## RECORD ATTENDANCE FOR HOMECRAFT INSTITUTE

### Conservation Directors To Meet Monday

#### 4-County Organization To Be Formed In Placerville

The Board of Directors of the four-county Agricultural Conservation Association, embracing members in Alpine, Amador, Calaveras and El Dorado Counties, will meet in Placerville Monday morning for purposes of organization and election of officers.

Sessions will convene at the office of the Farm Advisor.

The four-county organization results from a consolidation in the interests of administrative economy, of the conservation associations of Amador and Calaveras County with the El Dorado-Alpine association, which has been operative the past year.

El Dorado County's district association organization will be perfected with a meeting at Summit schoolhouse tonight for organization of the association in that area. Previous meetings have seen associations formed for the new year in the North Side, Rescue and Placerville districts, and the Alpine Association formed at a meeting held last Saturday.

B. E. Haslam, secretary of the El Dorado-Alpine organization for last year, was at Ione Thursday evening to attend a meeting at which the Amador district conservation association organized. More than 100 work sheets have been turned in for the Amador (Continued on page 4)

### FORD PLANNING WAGE INCREASE

#### \$10 Daily Pay Hinted As Answer To Unions

NEW YORK (AP)—The New York Daily News said in a dispatch from Washington today that Henry Ford planned to boost his employees' wages in an effort to thwart the United Automobile Workers' campaign to unionize his factories.

"The latest tip-off," the dispatch said, "is that Henry Ford intends to lick the unions with a generous distribution of that great pile of Ford cash. The advance information is in direct line with the Ford tactics in the past. Ford, a quarter of a century old, started American industry when he announced his \$5-a-day minimum for every worker."

"If the 73-year-old auto magnate decides to pay every man at least \$10 a day there will be very few objections. And that, according to Ford men here, is just what Henry intends to do."

### Mrs. Phillip Frost Hostess At Cards

Mrs. Philip Frost was hostess for an afternoon card party at her home this week, complimenting Mrs. Jane Harvey, formerly of this city, and now of Auburn. Dainty refreshments closed the afternoon.

High score was won by Mrs. Charles Ball and second high score by Mrs. George Wickes. Mrs. Charles Brimhall won the consolation.

Consolation awards for each table were presented to Mrs. Henry Waldron, Maude Mylchreest, Mrs. Walter Blair, Mrs. Nora Gray and Mrs. Brimhall.

Present were Mesdames Harvey, Frank Scherrer, Charles Ball, Louis Reeg, H. O. Waldron, George Wickes, Charles Brimhall, Olga Zlomke, Etta Kramp, Jack Thompson, Walter Blair, Nora Gray, Arthur Mart, Otto Herman, John Miller, Chris Henningsen, Earl Prior, T. F. Lewis, Clara Davis and Maude L. Mylchreest.

### 7th Grade Class In Perfect Attendance

The 25 members of Miss Louisiana Schnell's seventh grade class at Placerville grammar school have a record in attendance which is unusual.

The entire class, it was announced Friday morning by Principal John H. Palmer, has been perfect in attendance for 27 school days.

Since five days make a school week and 20 days a school month, it is readily apparent that the pupils have a record of which they may well be proud.

### "PEGGED" GOLD PRICE TO HOLD

#### Pres. Roosevelt Does Not Know Of Any Change

WASHINGTON (AP)—President Roosevelt said today he knows of no plan to lower the present price of gold, now \$35 an ounce.

Mr. Roosevelt said that the U. S. Treasury likewise has no plan along that line.

Reports of such a move, he said, seem to originate from the foreign press. Administration fiscal officials watched with keen interest operations of the federal reserve system's open market committee which purchased \$25,194,000 of long term U. S. government bonds in the first three days of this week.

By its new operations, the federal reserve system enlarged its open market portfolio for the first time since November 1933.

The reserve system's purchases from Monday through Wednesday were more than twice the amount of transactions in government bonds on the New York stock exchange during the same period, indicating that the purchases were made through over-the-counter dealers.

### SPRING FLOWER SHOW OPENS AT CAPITAL SOON

SACRAMENTO—Orchids valued at more than \$100,000 will be displayed at the 14th annual Sacramento Spring Flower Show at the state fair grounds April 17th and 18th, Mrs. E. J. Woodburn, general chairman, announced this week.

Twenty-four selected plants all in full bloom, including two parent plants valued at \$50 each, will be in the display, to be presented by John A. Cribbone of Berkeley, known as the "King of Orchids." One of the parent plants has 25 blooms, Cribbone said.

A special booth is being arranged for the orchid display.

"This outstanding exhibit, without a question, will make the Sacramento flower show the finest in the state, this year," Mrs. Woodburn said.

The Sacramento show, sponsored by the chamber of commerce, is the only major show in the state to which admission is free.

### Farm Directors In Meeting For April

Regular meeting of the County Farm Bureau directors for April was held Thursday night at the Farm Advisor's office with Chairman James A. Irving presiding over a group of 13.

The chair named a special legislative committee consisting of Dr. W. A. Rantz, Everett Haslam and himself to give immediate attention to legislative problems concerning the county farm bureau as they arise.

The committee on a motion picture projection machine was authorized to proceed with the purchase and given full power to act.

The meeting considered enlargement and modification of the County Farm Bureau's membership and public relations department in the interest of service to the membership.

Mrs. Edith Miller has returned from a visit of several days at Auburn.

### P.-N. League's Player Roster Is Announced

#### Season Starts Sunday With Bartlett's At Roseville

The official player roster of the Placer-Nevada League was announced this week by League Secretary A. G. Thurman of Colfax, in preparation for the opening of the season Sunday.

The Bartlett's will be at Roseville for the opening game.

The players signed by the various clubs are:

COLFAX—Bill Kelly, Ray Brock, George Simmens, Owen Freeman, Cliff Perry, Fred Schroeder, Walter Welch, Elwood Atwell, Ernie Perry, Lefty Rodgers, Glenn Smith, Ernie Johnson, Don Wilds, Henry Triano, Bob Roberts, Paul Piscovich, Ed Hutchinson.

FOLSOM—Walter Jorgensen, Paul Gallagher, Jack Mackay, August Lippert, Clarence Hart, Clarence Mackay, Merlin Reeder, Charles Griffith, Donald Kipp, Bryce Euer, Charles Gallagher, Henry Clark, Fred Kienle, Don Wilds, Lloyd Jergensell, Donald Jorgensen.

AUBURN—Charles Chambers, Pat Hurley, Joe Viano, Benny Barnwell, Cliff Sieni, Steve Cuellarich, John Ohrt, Jack Jeffrey, Chet McKenzie, Alex McKenzie Al White, Aubrey Bennett, Baker Whitney, Grant Kronquist, I. Harris, Bill Hay, E. Winton, Don Wilds.

LOOMIS—Bill Tudsbury, Al Pillard, Bart Smyth, Don Irwin, Leo Francisconi, Ted Gordon, Cy Brugger, Frank Little, Doyle Tinkle, James Strum, Paul Speck, Bob Laird, Bill Sharp. (Continued on Page 4)

### "JAM SESSION" AT MOTOR CITY

#### Prize Waltz Contest To Be Judged By Applause

The Motor City ballroom is offering two outstanding attractions this Saturday night. To dance lovers they are offering Jam Session—the newest vogue in swing that is being featured in all leading hotels and clubs at the present. The music became such a sensation that the Hotel Ambassador in Hollywood in their famous Coconut Grove, have featured Jam Session as an added attraction nightly in conjunction with their regular music and entertainment. Attendance to this attraction promises an evening of thrills and real swing dance music.

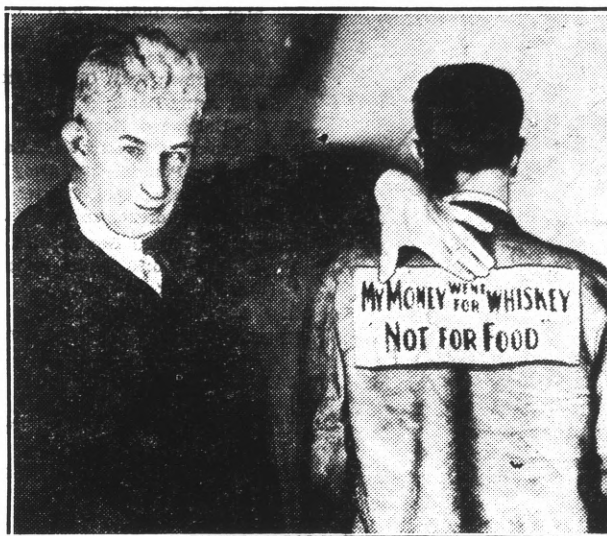

As their second attraction the Motor City ballroom is giving a ladies diamond ring valued at \$50 to the winner of the waltz contest that is to be judged by popular applause. This ring may be seen on display at the Tumble Inn, in their window. It is truly a ring of beauty and any young lady would be proud to call such a ring, hers. Being judged by popular applause will give everyone an equal chance and should bring out the prize waiter's in Placer County.

With two such outstanding offers as the above, we believe Motor City ballroom will have a large attendance and it will be one of the outstanding dances of the season.

### Amador Sportsmen To Meet April 13

The annual banquet of the True Sportsmen's Club of Amador County, will be held Tuesday night, April 13, at the Women's Club building at Ione. Dinner will be served at 7:30 o'clock.

Farm Advisor Ivan Lilley, Louis Wunschel, Jr., and Sheriff George M. Smith were at the Branch College of Agriculture at Davis on Friday, attending the annual sheepmen's field day.

FOOD, NOT LIQUOR—Four men on relief in Clifton Forge, Va., raised the ire of the townsfolk when they were in court on charges of intoxication. So Mayor Frank H. Wheeler, left, police court judge and relief administrator, ruled that any convicted of using relief funds for liquor must wear this sign. It reads: "My money went for whisky, not for food."

### SKIERS COMPLETE DETAILS FOR TOURNAMENT ON SUNDAY

#### Adolph Martin Re-Elected President At Last Meeting Of Club This Season, Held Thursday At Pacific House

Placerville Ski Club members, closing their regular series of meetings for the season, met Thursday night at Pacific House and completed details for their state association sanctioned ski tournament to be held Sunday at Twin Bridges.

The club elected officers for the next ski season, re-electing Adolph Martin as president.

### BILL PROVIDES FOR GRAND JURY QUIZ IN PUBLIC

SACRAMENTO (AP)—An emergency bill permitting public grand jury hearings in the current San Francisco graft investigation and elsewhere was placed before the legislature today by the assembly judiciary committee.

The judge would be empowered to order such hearings at the request of the district attorney, the attorney general or the grand jury foreman if such procedure was deemed to be in the public interest.

The bill was introduced by Assemblyman Edgar Levy, San Francisco.

### 157 KILLED BY CULT IN KOREA

#### Officials Arrest 100 In Round-Up Of Ring

TOKYO (AP)—A Domei (Japanese) news agency dispatch from Seoul, capital of Korea, today reported that police there had excavated 157 bodies described as victims of the Haku-Haku-Kyo cult organized by religious fanatics and said to enslave young girls for immoral purposes.

Domei reported that the authorities in Korea believed hundreds of others were slain by the cult. The victims found were mostly young girls who had been attacked, strangled and sometimes buried alive.

Kairyu Zen, founder of the cult, was among those identified in the excavations. He was charged with killing three girls. His concubines, before fleeing and committing suicide.

More than 100 persons have been arrested in the round-up of the organization. Police said most of them were former criminals masquerading as religious leaders in trapping the girls.

### SAFETY FIRST KANSAS CITY, Mo. (AP)—Radio

listeners heard a crash over the air during a safety program sponsored by a local radio station. Two motorists, their attention drawn to a member of the safety squad who was quizzing drivers on traffic regulations by remote control, collided head-on not 10 feet from the microphone.

### 3-Day Program Closes Friday In 'Party Day'

#### Nearly 900 Take Part In 5th Annual Meeting

The final curtain rolled down this afternoon on the fifth annual Homecraft Institute, the most successful in point of participation and attendance of any similar event ever held in the community.

As the final session convened at 2 o'clock this afternoon at the Shakespeare Clubhouse, it was apparent that the total attendance for the entire meeting will approach, if not exceed, 900 El Dorado County homemakers.

In addition to the institute sessions, which have been conducted by Jane Barton, homecraft editor of Pacific Rural Press, under the sponsorship of Pacific Rural Press and the Placerville Republican, the Home Appliance Exhibit has been a feature of this year's meeting both from a point of view of variety of appliances displayed and from the point of view of the number of dealers participating.

The clubhouse was open Thursday evening for general public inspection of the display until 9 o'clock and although the rain kept many at home who might otherwise attended, it was generally agreed that the plan is worth while and such an evening will probably be arranged in connection with the next Homecraft Institute and Home Appliance Exhibit.

Friday was "party day" at the institute. Wednesday featured the planning of housework and meals. Thursday was concerned with the artful use (Continued on page 3)

### PENSION BOOST TO COST MONEY

#### Increased County Tax Rate Virtually Certain

Proposals before the legislature to further raise old age pensions would increase the average county tax levy for this purpose in the 19 counties of the Sacramento Valley Council of the California State Chamber of Commerce from 17.7 cents per \$1000 valuation to 44.3 cents, an increase of 150 per cent.

This fact is presented in a statement issued by the California State Chamber of Commerce which has analyzed the proposed legislation. Declaring "that the average payment under the present terms of California's Old Age Security Act now exceeds the national average by 68 per cent," the chamber warns against any liberalization which would attract aged from other states to further complicate the old age pension problem.

The state chamber's bulletin presents figures which show that the cost during the next year under the present act will be \$859,515 for the 19 Sacramento Valley Council counties. The proposals to lower the age limit and raise the monthly grant would increase the cost to \$2,138,675.

The bills analyzed in the chamber's statement are A. B. 534, which would lower the age limit to 60 years and increase the grant from \$35 to \$50, and A. B. 1, which would enable recipients to have \$15 income over full pension of \$35, increasing the cost eight per cent during the next year.

If A. B. 534 is adopted, El Dorado County's costs for the year 1937-38 would be increased from \$32,423 to \$60,678. According to these figures, the tax levy for old age aid would leap from 21.2 cents to 52.7 cents in El Dorado County.

Assistant Forester A. N. Weber and Junior Forester Bert Parsons, were in the China Flat area on Friday.

### PARIS-ITALIAN TENSION HALTS FOOTBALL GAME

ROME (AP)—The Italian football federation, considering the tension between Italy and France, telegraphed to Paris cancelling a football match between France and Italy scheduled for Sunday in Paris.

The cancellation was coincident with an editorial attack by Virginio Gayda, editor of Giornale D'Italia and mouthpiece of Premier Benito Mussolini, on alleged intervention by France and Russia in the Spanish civil war.

It recalled the incident last year when Mussolini forbade cyclists and other Italian athletes to compete in France, in retaliation for the Ethiopian war sanctions.

SKIERS FINISH  
TOURNEY PLANS

(Continued from page 1)

will be run in two heats, the first a qualifying heat. At the end of the first, half of the entries making the fastest time over the course will be named for the second and final heat.

According to president Martin, the club hopes to have a small jumping hill ready for the tournament but the jumping will not be a part of the tournament competition. Any jumping for the day will take place about 3 o'clock.

Martin explained that it was found impossible to locate a hill with a suitable run-way for Class A jumping in the immediate vicinity of the site for the slalom and cross-country and

The Pei-an specifically asked for navy boats rather than merchant boats, globe wireless reported, because of apprehension that Chinese pirates might come aboard her while she was distressed.

Edwin Meyer, Orland, Glenn County, has developed a walnut shelling machine that will deliver 3000 pounds of meats daily.

down-hill races.

However, it is believed that a hill upon which jumps of up to 50 feet may be achieved can be located and put in condition for junior exhibition jumping during the afternoon.

The Pacific House meeting closed with refreshments so delicious that club members were prompted to move that all of next year's meetings be held at the resort.

## 3-DAY PROGRAM CLOSSES FRIDAY

(Continued from page 1)  
of left-overs, and Friday was devoted especially to party foods, decorations and games.

The following recipes were demonstrated by Jane Barton during the Friday afternoon meeting:

### Chocolate Thins

Time, 10 mins. Temperature, 400 deg. Makes about 4 dozen cookies, depending on thinness and size. Grease baking sheets thoroughly and place in a sifter  $\frac{1}{2}$  cup of sifted all-purpose flour,  $\frac{1}{2}$  teaspoon baking powder,  $\frac{1}{4}$  teaspoon salt, three-fourths cup sugar,  $\frac{1}{2}$  cup ground chocolate. Break in bowl and beat 2 eggs. Sift in dry ingredients and 1 teaspoon vanilla flavoring,  $\frac{1}{2}$  cup melted fat. Beat well and spread as thinly as you can on the greased baking sheets. Bake in hot oven, watching carefully for it burns easily. When taken from oven, quickly cut in squares and remove from pan.

### California Chiles Rellenos

Time, 10 to 15 mins. Temperature, 450 deg. Six servings. Cut 3 large Bell peppers in half lengthwise. Remove seeds. Salad by covering with salted water and cooking until just barely tender. Put clove of garlic in water if desired. Cook  $\frac{1}{2}$  cups diced carrots,  $\frac{1}{2}$  cups peas in salted water. When done, mix and season with salt, pepper, butter and onion juice. Pile into pepper shells, top with butter or grated cheese and brown in a hot oven.

### California Orange Cake

Time 30-35 mins. Temperature, 375 deg. Amount, 2 layers. Cut paper to fit bottoms of pans; grease pans and paper. Place in sifter 2 cups sifted cake flour, 2 teaspoons baking powder,  $\frac{1}{2}$  teaspoon of salt. Beat until creamy  $\frac{1}{2}$  cup of fat and cream in  $\frac{1}{2}$  cup sugar. Mix in  $\frac{1}{2}$  cup chopped nut meats. Beat until stiff 2 egg whites and beat in  $\frac{1}{2}$  cup sugar. Beat until thick 2 egg yolks with 2 tablespoons cold water. Add yolk mixture to fat mixture alternately with dry ingredients and  $\frac{1}{2}$  cup orange juice. Beat well, then fold in white mixture. Pour into pans and bake in a moderately hot oven. This cake will not stay moist as long as one made with milk.

### Orange Filling

Enough for three layers. In top of

## Nazi Leader Visits Italy About Spain

ROME (UP)—Dr. Robert Ley, leader of the German Nazi Labor Front, was in Italy today for conferences with Fascist leaders as tension increased over the Spanish civil war.

It has been reported that Ley's visit might be followed by one from Col. Gen. Hermann Goering, Fuehrer Adolf Hitler's right hand man.

Due to higher prices for grain, several cars have been shipped from Ducor, Tulare County, recently.

A double boiler put 2 eggs slightly beaten, three-fourths cup sugar,  $\frac{1}{4}$  teaspoon salt, 2 tablespoons butter,  $\frac{1}{4}$  cup orange and lemon juice mixed, few grains grated rind. Cook in double boiler until thick, stirring all the time. Cool.

### Orange 7 Minute Frosting

Enough for large cake. In top of double boiler put three-fourths cup sugar, one egg white,  $\frac{1}{2}$  teaspoon baking powder,  $2\frac{1}{2}$  tablespoons orange juice,  $\frac{1}{4}$  teaspoon salt. Beat over boiling water until it stands up in peaks.

### CHICKEN WAYFARER

Simmer in salted water until tender 1 chicken, 2 to 2 $\frac{1}{2}$  pounds. Remove from broth and allow to cool. Skim fat off broth and dice chicken. Fry a golden brown, 2 onions chopped, 1 clove garlic minced. Pare and mince one apple and chop finely 3 or 4 walnuts. Bring the broth (about 3 cups) to a boil, turn heat to simmering and add chicken, onion, garlic, apples, nuts and three-fourths cup tomato puree, salt to taste, curry powder to taste. Allow to simmer but not boil. Add 2 tablespoons cornstarch, mixed to a thick paste with a little water and 1 tablespoon lemon juice. Keep at simmering point until thickened and well-cooked. Six to eight servings.

### Cucumber Cocktail

Enough for six. Pare and cut cucumbers in thin, one-inch discs. Wash, wrap and put back in refrigerator to chill and crisp. Mix together 3 tablespoons chopped sweet pickle, 2 tablespoons mayonnaise,  $\frac{1}{2}$  cup catsup or chili sauce, 1 teaspoon horseradish, 1 tablespoon lemon juice, few grains salt, drop or two tabasco sauce if desired. Put in refrigerator to chill. Just before serving, arrange crisp lettuce in chilled fish cocktail glasses. Add cucumbers, cover with sauce. Garnish with parsley if desired.

## AN APPRECIATION

The Placerville Republican, The Girls' League are very grateful to you for your splendid co-operation in aiding us with our Mothers' and Daughters' banquet.

We wish to thank you for help making our dinner a success. Such spirit from our town people makes us want to work harder toward our goal—the Girls' League Scholarship.

Sincerely yours,  
DOROTHY COSENS,  
Secretary of Girls' League.

## 2 Injured, Houses Unroofed In Storm

MIAMI, Fla. (UP)—Two persons were injured and several houses were unroofed today when a small tornado roared through Miami's southwest residential district.

No fatalities were reported.

A squad of 50 policemen was ordered into the section to preserve order. The wind whipped down shrubs and trees and impaired electrical service.

## "Quality" or "Shoddy"

THE difference in price between *Quality Merchandise* and shoddy merchandise is not great in dollars and cents, but in wearing qualities and fitting qualities, to say nothing in regard to satisfaction of something good, considerable. In other words, you get what you pay for, whether in clothes, shoes or automobiles. *Our business has been built on Quality Merchandise, on standing back of what we sell.* Competition makes it necessary to handle some low end lines, but we do not claim these articles the best. We feature "Allen A" hosiery and swim suits, "Vanta" garments, "Bon Ton" and "Royal Worcester" foundation garments, and many other advertised lines. When we advertise an article "On Sale," it is such, and has been marked down from the original price.

## CONSERVATION MEET MONDAY

(Continued from page 1)

district and 30 farmers were present at the meeting, electing Vincent Touhey as chairman; Harrison Ringer of Ione, as vice-chairman; J. E. Votaw of Sutter Creek, as the third member of the committee and John Scully of Ione, as alternate.

Following the Summit meeting on Friday night, Mr. Haslam goes to San Andreas for a meeting on Saturday afternoon at which the Calaveras district association will organize.

Under the plan of organization, the directors of the several district associations—the one embracing Calaveras County, and the four in El Dorado County—become members of the four-county association directorate.

At the meeting of this directorate on Monday, the officers of the four-county association will be chosen from the board members.

Mrs. Jane Harvey is here from Auburn spending the week with Mrs. J. L. Miller and other friends.

## BRIDGE ISSUE IS STATE WIDE

### County Highway Cash May Be Pared For Operation

The proposed plan of the state to acquire the Carquinez and Antioch bridges has become a state-wide issue. Will F. Morrish, head of the two bridge organizations, yesterday made the following comment:

"In announcing that the toll bridge authority would open negotiations for purchase of our two bridges it was stated that it was the plan to acquire all toll bridges and make them a part of the state highway system.

"In taking this step the officials opened up the question of whether funds now available for use in maintaining roads in the various counties would be diverted to maintaining and

operating the toll bridges, at a cost in excess of \$1,000,000 annually.

"Few persons have any idea how much money their respective counties annually receive for maintenance of roads and bridges. It is true that theoretically each county is entitled to its share of one-third of the gasoline tax funds for maintenance. Yet actually these funds can be expended in whatever sections of the state the division of highways deems most advisable, and recently approximately one-half of the maintenance funds have been transferred to the fund for the new construction work.

"As a consequence every county is necessarily interested in the outcome

of the present plan to divert gasoline tax funds to operate and maintain a few bridges, especially when there are several hundred bridges comprising our present highway system that are badly in need of being replaced with modern and safe structures."

Expressed opposition to state purchase of the Carquinez and Antioch bridges is taking different forms. Opponents in Southern California counties and in counties in Northern California far distant from the San Francisco Bay area toll bridges, are agitated over possible diversion of maintenance funds.

Officials and business leaders in the Redwood highway counties and in San Francisco have indicated that if any toll bridges are to be purchased the first one must be the Golden Gate bridge.

Officials in Contra Costa and Solano Counties, while interested in seeing that several thousand shareholders of the two bridges who live in their counties receive a fair deal, are also interested in seeing that the counties receive taxes from the bridge, which would amount to approximately \$1,000,000 during the next 11 years, before the two bridges automatically become public property.

## FILTER PLANT IS INSPECTED

### Expert Okehs System, Asks About Sewage Plans

Rather naively, we thought, H. B. Foster, inspector for the Bureau of Sanitary Engineering of the State Health Department, inquired of city officials this week concerning the progress of Placerville's proposed sewage disposal plant.

Mr. Foster was here on an inspection of the city's water system, which he seemed to find entirely satisfactory. He checked on the alum system and found that the correct amount of alum is going into the water.

Then he checked on the raw water and found plenty of "bugs," 250 parts per million, to be exact. But when he sampled the treated water, he found a turbidity of less than 5 parts per million and said that was a very good water.

After that he took some samples for bacterial analysis, to be reported on later, and as we left, inquired, we thought rather naively, about the progress of Placerville's sewage disposal system.

## Posse On Trail With Plane Crash Victims

MCNARY, Ariz. (U) A posse camped today at a trail's end in the mountains with eight bodies that were removed from the wreckage of a Douglas transport plane.

Headed down Mount Baldy with the remains of six passengers and two pilots who died when the luxury liner crashed in the wilderness Saturday, lumberjacks had to chop trees and build a bridge across White River before they could proceed.

The Arizona Citrus Growers' Association expect to have their new storage house ready for the 1937-38 crop.
